

Get Involved.

Coach with us.

We are always looking to expand our team. If you have a L2 in BMX coaching, we would love to hear from you. We are looking for coaches to run weekday, weekend and evening sessions for a range of groups.

Volunteer

Be part of our enthusiastic team who want to facilitate the practice of BMX racing and skills to riders of all ages, abilities and backgrounds. You can help us run sessions, maintain equipment, greet our riders and their families, liaise with our supporters and help with admin tasks.

Become a sponsor.

The club is working to protect the BMX facility and develop it for the next generation of young riders. Your generosity will help more children discover BMX. We are asking for your support. Are you looking for a good grass roots community group to support or sponsor? Are you able to make a donation? Do you know of an individual or organisation which might be able to help?
